## CONFLICT OF INTEREST STATEMENT

For TRICARE Providers:

Federal Law (5 U.S.C. 5536) prohibits medical personnel who are active duty members or civilian employees of the government to receive compensation above their normal pay and allowances for medical care rendered. This prohibition applies to TRICARE benefits whether the claim for reimbursement is filed by the individual who provided the care, facility in which the care was rendered, or by the sponsor/beneficiary. Claims for TRICARE benefits will be denied in any situation where either a uniform member or civilian employee of the uniform services has the opportunity to exert, directly or indirectly, any influence on the referral of TRICARE beneficiaries to one or more providers on a selective basis.
